1. Print out the Spooky Sounds "Cover Sheet" on **white** paper. Label the top with your desired word family (middle and end sound).
2. Print out the desired Spooky Sounds "Hidden Sounds" sheet on **colored** paper.
3. Layer the cover sheet over the hidden sounds sheet. Make sure edges are lined up.
OPTIONAL: Place in a plastic page protector or reusable dry erase pocket.
4. Print out the Spooky Sounds Search and Find recording sheet. .
5. If desired, create a special flashlight just for this activity! Loop the finger flashlight around one of the clamping sides of a white clothespin. On the opposite clamping side, add a ghost face using the permanent marker. Use this flashlight (or one of your own) to shine a light behind the overlapped Spooky Sounds Search and Find pages.
6. Use the light to uncover the hidden letters. Say the sound each letter makes and blend with the word family written at the top. Does it make a real word or a nonsense word? Write words on the recording sheet.
