Like-Ice Sculptures

Name _____

My Like-Ice Sculpture

Think of something important to you. This might be a place, a person, an event, a thing, or a feeling. Draw it in the space below. Use a black marker and draw big enough to fill the space. When you are done, lay your Shrinky Dink paper over the top. Trace with white chalk. Cut out the Shrinky Dink design you have created and have an adult shrink in the oven!

inspired by the book
A Little Like Magic

Materials:

Shrinky Dink Paper

SCISSORS

permanent markers

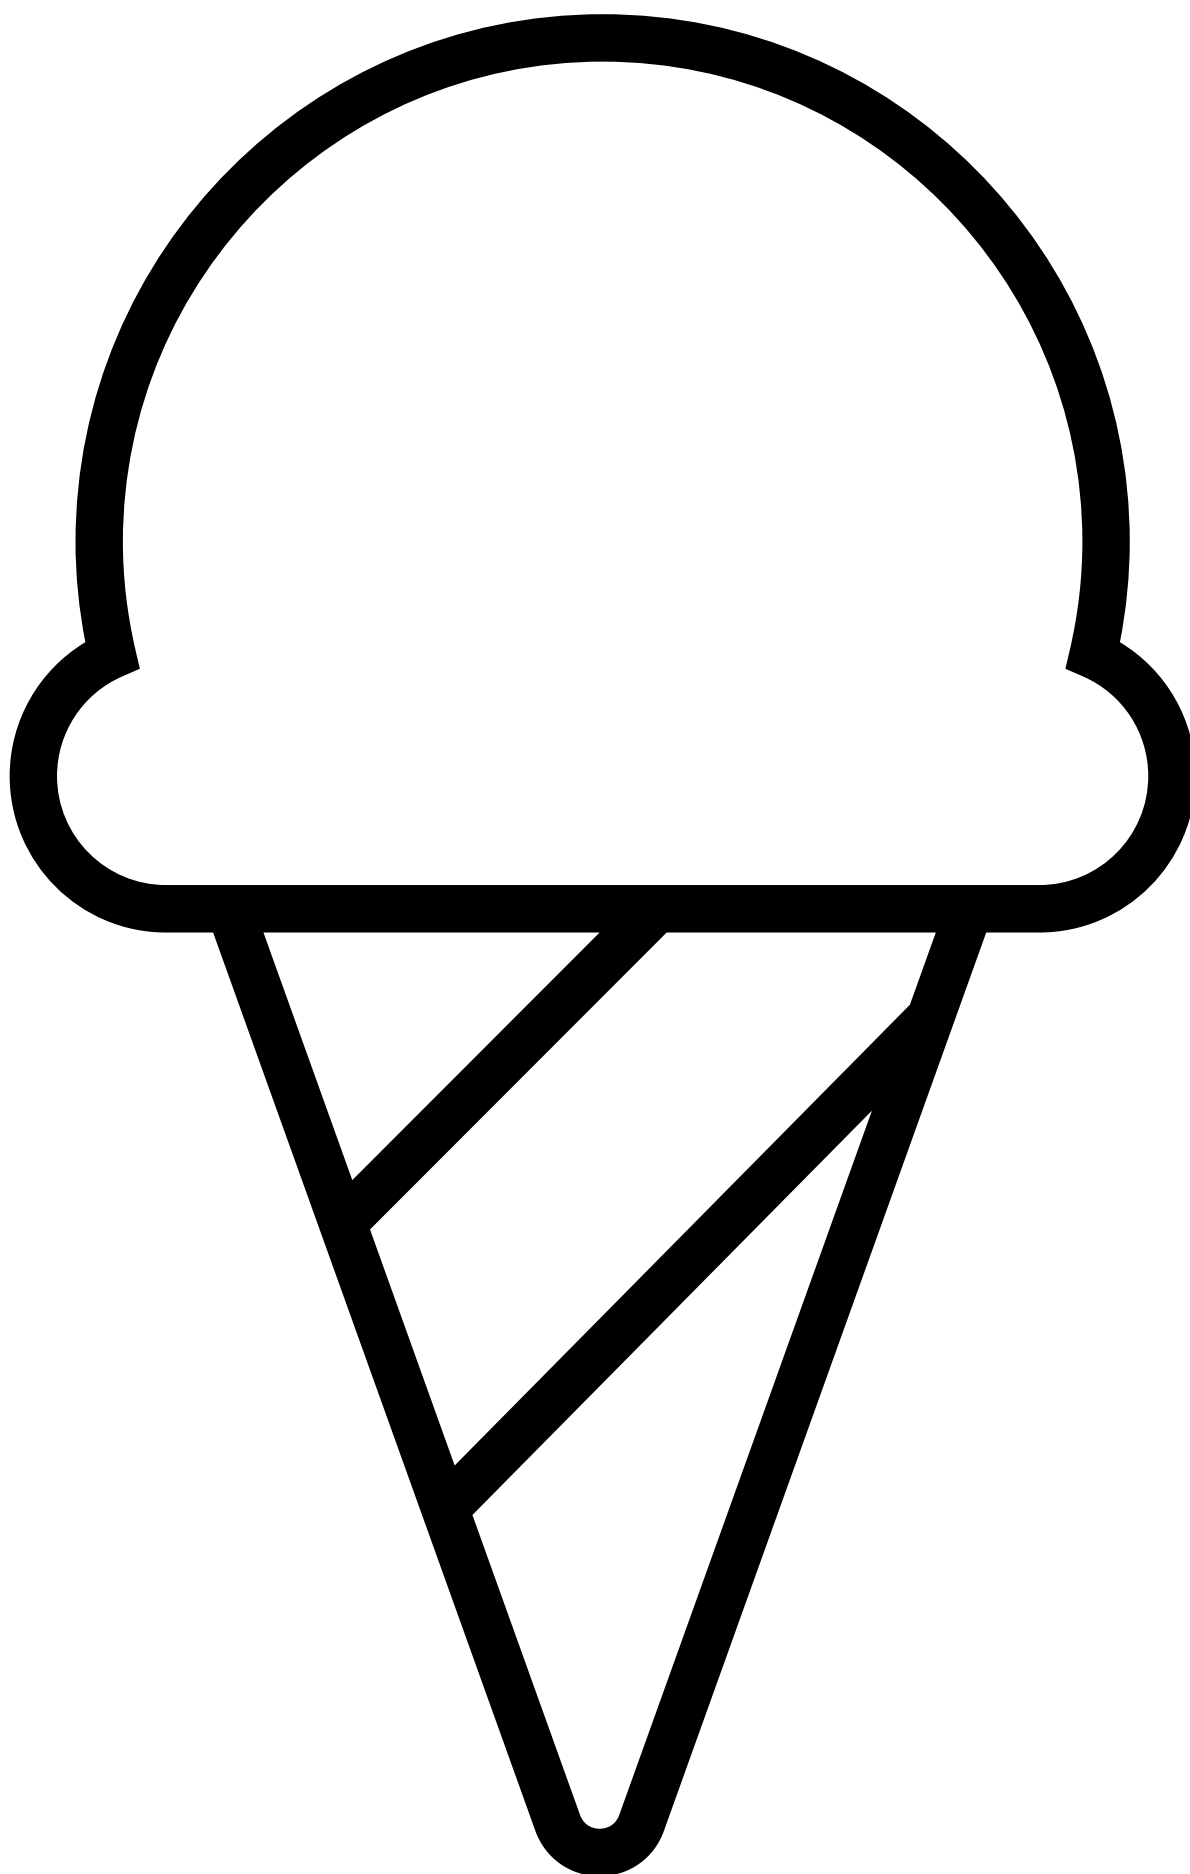

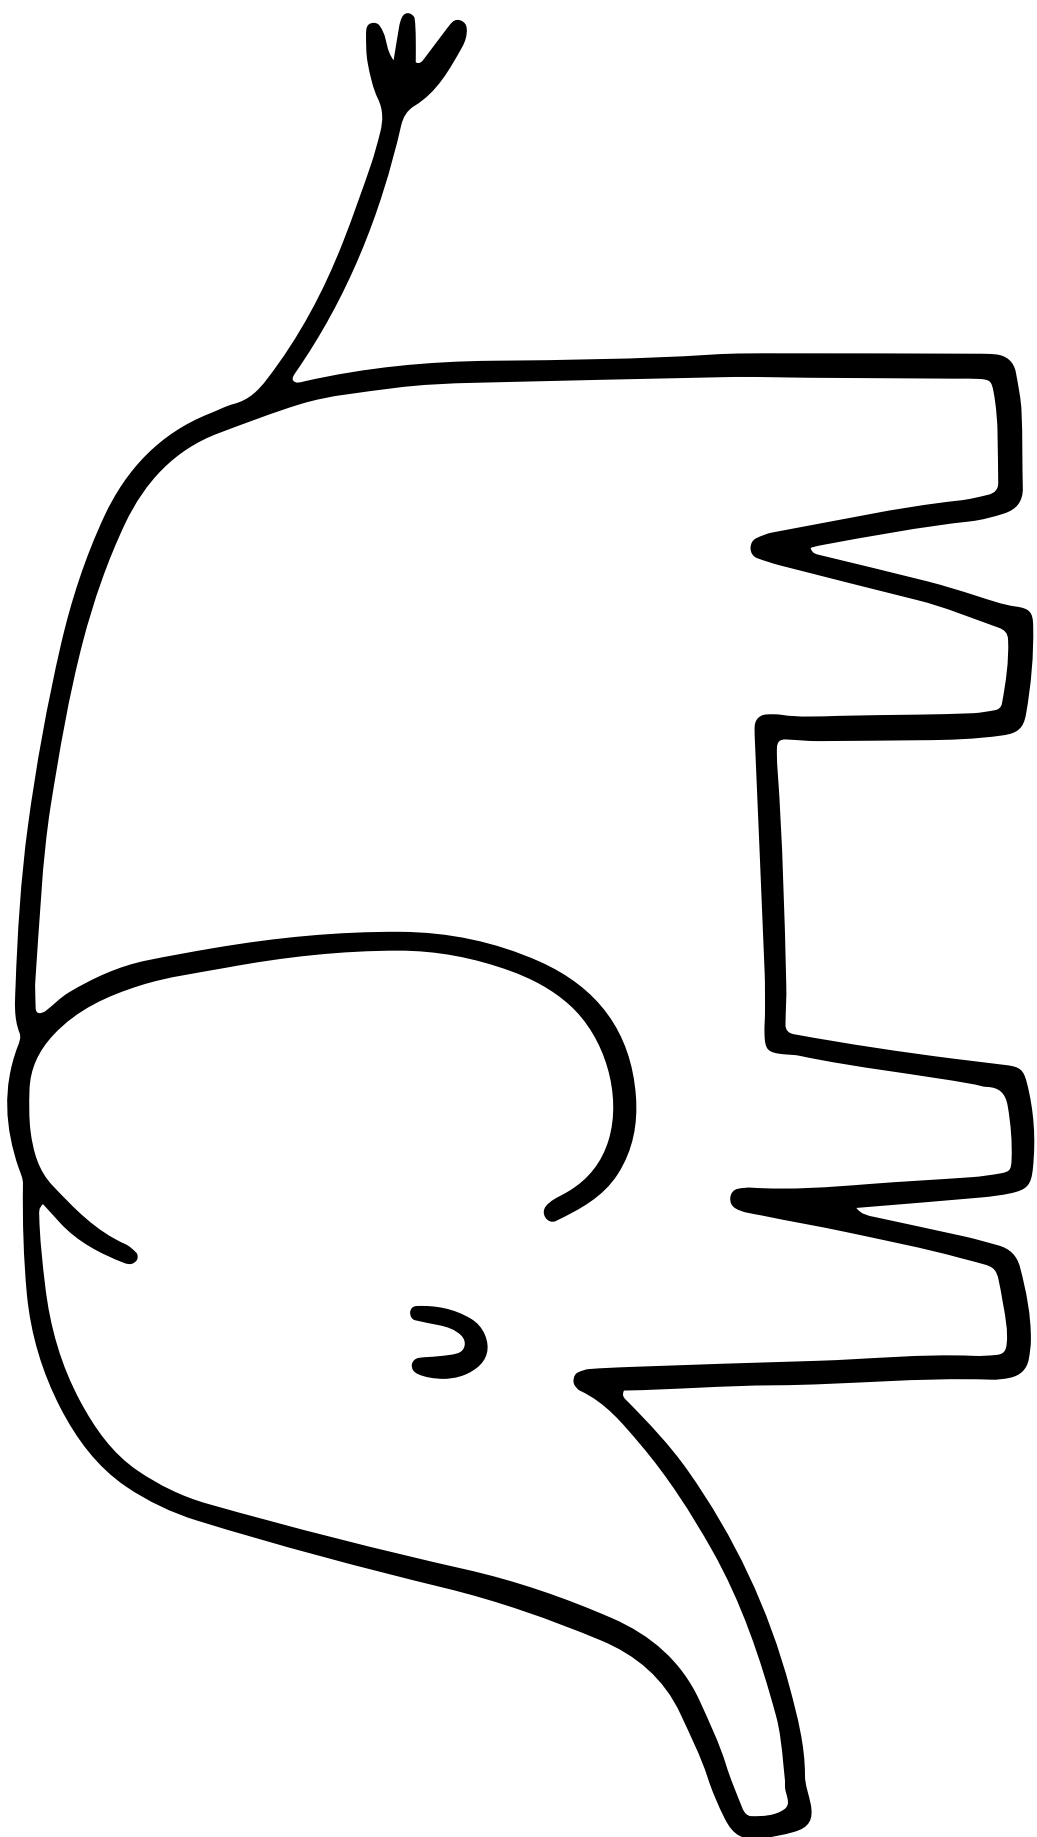

colored pencils

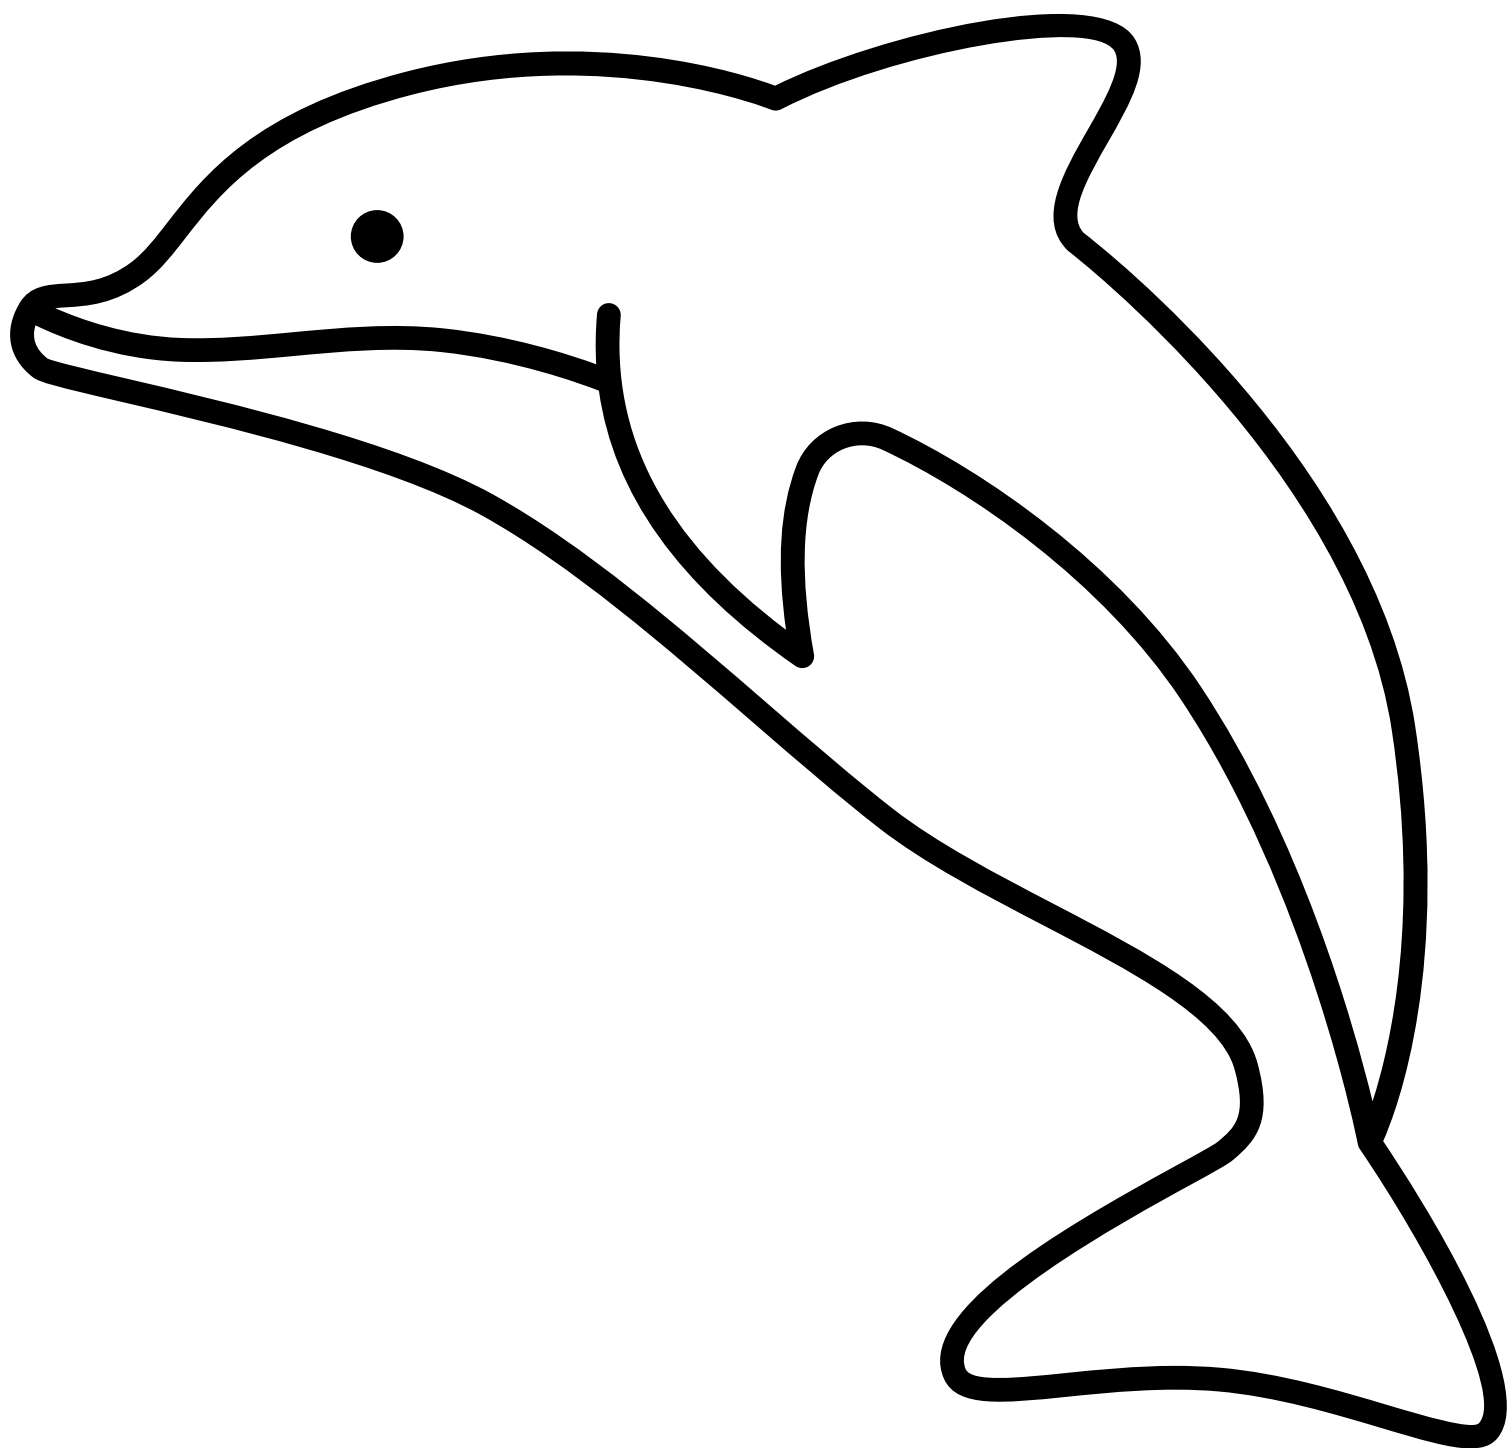

Name _____

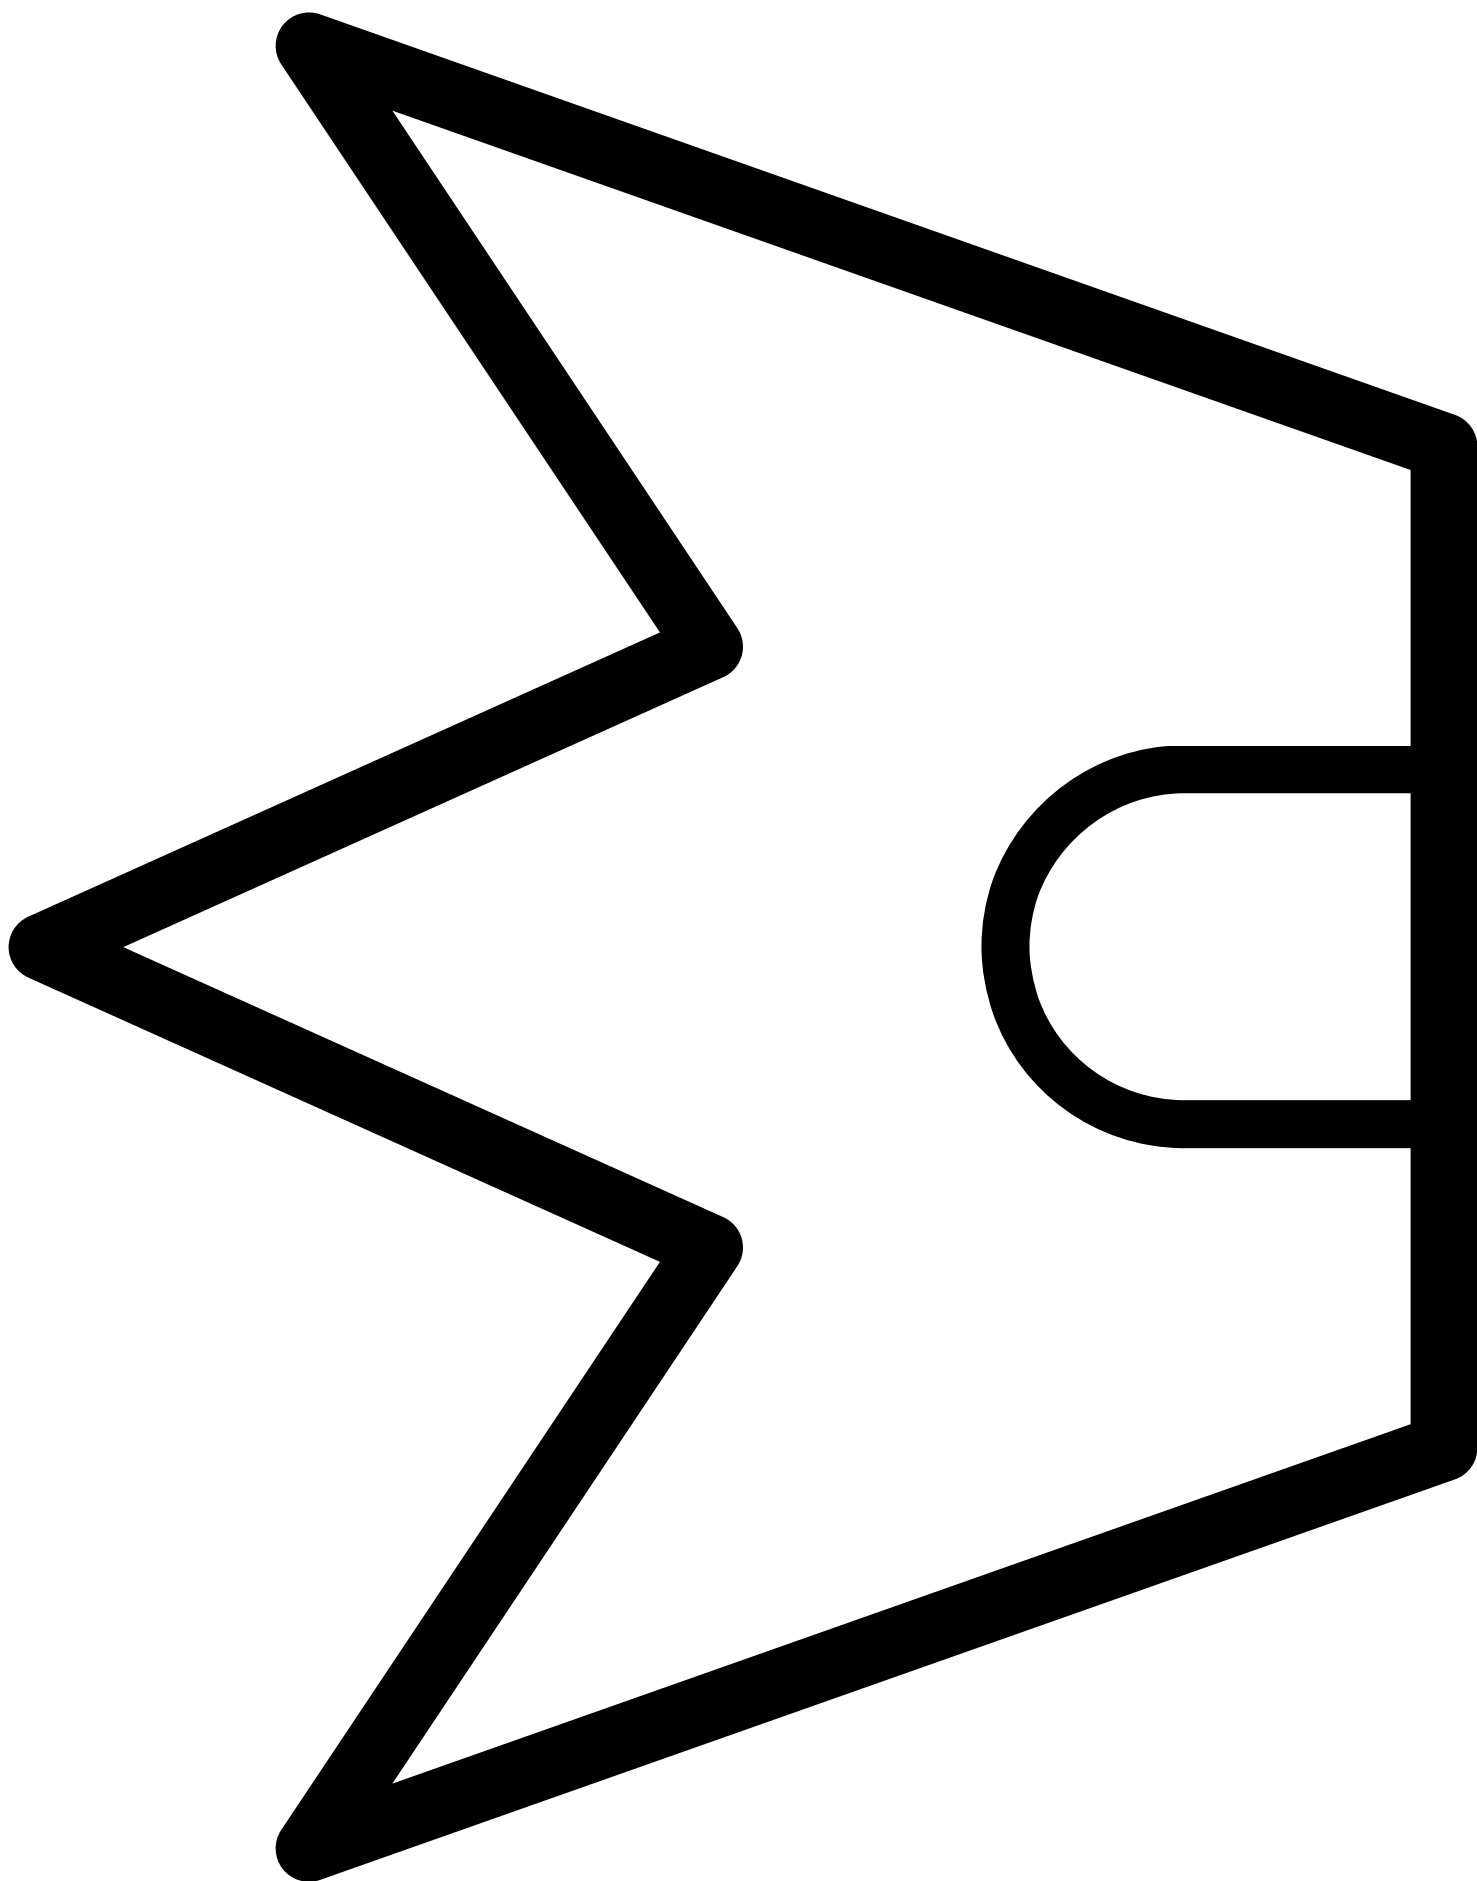

My Like-Ice Sculpture

Think of something important to you. This might be a place, a person, an event, a thing, or a feeling. Draw it in the space below. Use a black marker and draw big enough to fill the space. When you are done, lay your Shrinky Dink paper over the top. Trace with colored pencil or permanent marker. Cut out the Shrinky Dink design you have created and have an adult shrink in the oven!

to make Like-Ice Sculptures:

1. Print out the "My Like-Ice Sculpture" page, 1 copy of each per project. OR print out one of the optional pre-made designs.
2. Use black marker to complete the "My-Like-Ice Sculpture" sheet, drawing a person, place, thing, event, or feeling that is of importance.
3. When the "My Like-Ice Sculpture" design is complete, lay a sheet of Shrinky Dink paper over the top. A staple can help hold the pages together. Use colored pencils or permanent marker to trace the design.
4. Next, tear off the Shrinky Dink paper. Cut out the design. If the design is complex, you can "bubble cut" around the shape.
5. Follow the Shrinky Dink instructions to heat in the oven. Remember, Shrinky Dink paper WILL CURL initially, and then flatten again. Do not take out until it has had time to flatten.
6. To create your own "Like-Ice Sculpture Show," hang on or around twinkling lights!
